Mark Colledge has been doing some repairs to his Rx7 after hitting the armco in one of his first rounds for the season. By the time you read this it will probably have the new rear quarter fitted.

Amy Masters (Marks better half) has well and truly caught the racing buzz, and now has a rollcage in 1 of her 5 Mazda rx8s

We have some new club members with new cars to come racing this year. Jared Mayo has a Toyota starlet with a Nissan Sr20det engine and Vinnie Mayo with his Ford Falcon Super Six

JANUARY 2025

Latest news - Taupo Car Club has upgraded the radios. The radios supplied by Speedtech Radios now run on a digital frequency. These radios have better audio quality, Range and battery life than the the old analog radios.

A big mention goes out to Colin Nyham who has not only supported the club for many years as a volunteer, but also recently for his generous donation to the Taupo Car Club. Colin's donation has helped go towards these new radios. Thank you Colin from all of us here at Taupo Car Club, its very much appreciated.
