

The Supercars are nearly here ! This is going to be another big event for Taupo Car Club, with preparation well underway before the event on April 11 - 13 2025. This event will feature a new "Super 440" format, including dual 120km races on Saturday and a 200km race on Sunday. As you can imagine it takes a lot of time and effort getting everything sorted for this event, but as usual the team has it all covered. Thanks to everyone who is helping out in some way with organising this event, and to all the volunteers who give up their time to help for Supercars and any other event with Taupo Car Club, it's much appreciated.

All 24 Supercars will return to the streets of Taupō for the pre-event Track to Town journey, that in 2024 provided incredible images of thousands of fans lining streets and greeting drivers upon arrival. On April 10, the full fleet of Repco Supercars Championship will be making their way from the Taupō International Motorsport Park to Taupō's riverside precinct to meet with fans on the eve of this year's highly anticipated New Zealand event.
