

**A very busy month again. Taupo Car Club helped out with the Blue Light Trolley Derby 2024. TCC have helped run this event for the last couple of years now, offering track marshalls, scrutineers and timing, a good day had by all. Thank you to everyone who gave up there spare time and helped make this event happen.**

TCC and RSQKRU had a fire training exercise earlier this month. Dean from RSQKRU demonstrated how to extinguish fires and the differences between fuels, whether it be petrol, diesel or E85. Members of TCC got some valuable tips and training that will help with further race events.

We also had a chance to use some of the extraction equipment used to remove occupants from crashed vehicles. This was super fun and enjoyable, lets just say there wasnt much car left when we were finished.

A Big thanks to Dean and the team at RSQKRU for there help and knowlege, and also to Vj and Jasmine for hosting this event at there place for us.
