## RECENT CLUB EVENTS

### **Pit Park 22nd April**

We managed to have a small gathering on Saturday for the pit park up. The weather wasn't playing ball, but we made the most of it anyway, we had a couple of cars on display and the team put on BBQ.

### **Motorkana 23rd April**

The weather on Sunday was the complete opposite to day before. We had 19 competitors enter the motorkana event. Vj and the team set out 4 different courses in the club circuit pit area, with all competitors given 2 runs per course. All the course times were tallied up throughout the day and combined at the end for a total time, with the shortest total time being the fastest overall. The top 3 competitors listed below received a trophy.

1ST Place Pritesh Dheda - Subaru Wrx

2ND Place Greg Mawson -Mazda Axela

3RD Place Barry Robertson - Toyota GT86

Thanks to Taupo International Motorsport Park for giving us the opportunity to use the pit area for this event, Bring on the next one

## Need Race Tyres?

With the winter series coming up, now is a good time to start thinking about getting your road or race car ready. Other than the usual fluid and bolt check, the most common thing that people forget is there tyres and wheel alignments.

Terry's Tyres offer a wheel alignment service and supply and fit semi and full race slicks, as well as high performance street tyres to suit all applications and budgets.

Terry's Tyres supports the Taupo Car Club on and off track. Taupo Car Club members will receive a discount on all tyres purchased.
