APRIL 2025

A big weekend again this month for TCC with the Supercars event at Taupo International Motorsport Park. The weekend went well and was a bit more relaxed for TCC with the experience gained from the previous year. A big thanks goes out to everyone who helped out, and to all the volunteers who gave up there time to help for the Supercars weekend.

We have the best volunteers but we already know that ;)

Supercars officials presented the Taupō Super440 volunteers with the "Best Volunteer Group" award they received at the 2024 Supercars Gala.

The volunteer efforts during the inaugural Supercars event at Taupo in 2024 were recognised as the best that season - highlighting the dedication, passion and hard work of our motorsport volunteers!
