FEB 2025

On January the 25th, Taupo Car Club ran a single sprint open day on the club circuit. All new and existing members were welcome, and we sure had a few new cars and faces which was awesome. Thanks to everyone who helped out, and to the Taupo International Motorsport Park for there continued support to the Taupo Car Club. We look forward to the next event.

It was cool to have to such a wide variety of cars at this event, cars that we wouldnt normally see at our events. A Ferrari, Honda Nsx and even a Toyota Landcruiser to name a few.
