After the agm we had an autocross event utilising part of the club circuit. Drivers started at the club pit exit and navigated through cones on turn 11 and then had to turn around at the start of the back straight and go back through the timed course. Drivers were split into groups and had turns on multiple cone layouts throughout the afternoon, while family friends and club members watched from the grandstand. Thanks to everyone who helped to make this event happen and to all the competitors. Bring on the next one!
